Final Event
18th/20th April 2018
Naples, Italy

2nd Chance – Waking up the "sleeping giants"

Strategies and Actions for the Reactivation of larger vacant buildings for a sustainable urban development

2nd Chance is an URBACT network of 11 city partners from all over Europe. In the last 3 years they have tested and applied a **new collaborative approach of reactivating larger abandoned buildings as strategic places for a sustainable renewal of cities and neighbourhoods.**

Their results and lessons learnt will be presented and discussed with a wider audience of urban professionals, decision- and change-makers at the final 2nd Chance event, to which the City of Naples welcomes you:

Date: 18th April - 20th April 2018

Venue: Complesso di San Domenico Maggiore, vico San Domenico Maggiore n. 18

To register to the event: <https://www.eventbrite.com>
